4 STATEMENT OF PARE HAURAKI WORLD VIEW AND PROGRAMME FOR A CULTURE OF NATURAL RESOURCE PARTNERSHIP

I. STATEMENT OF PARE HAURAKI WORLD VIEW

Ngā puke ki Hauraki ka tārehua
E mihi ana ki te whenua, e tangi ana ki te tāngata
Ko Moehau ki waho, ko Te Aroha ki uta
Ko Tīkapa te moana, ko Hauraki te whenua

The peaks of Hauraki lie shrouded in mist
We revere the land and lament the people
Moehau stands afar while Te Aroha stands within
Tīkapa is the sea and Hauraki the land

Haere mai ki Hauraki he aute te awhea¹

- 4.1 The spiritually and culturally symbiotic relationship between the people of Pare Hauraki and our world, mai Matakana ki Matakana, is founded on whakapapa links between the cosmos, gods, nature and people. Our world is a holistic unified whole consisting of spiritual and physical interrelated realities.
- 4.2 Our relationships are first and foremost genealogical. All things, animate and inanimate, have a whakapapa derived from Papatūānuku and her children. The works of nature – mountains, seas, rivers, wetlands, animals and plants – are either kin, ancestors, or founding parents. From our cosmogony, all things have their own mauri and personality requiring respect and protection.
- 4.3 Whanaungatanga lies at the core of our relationships. Te taura tāngata is the cord of kinship that binds us together through whakapapa. It is a braid that is tightly woven, tying in all its strands. It is unbroken and infinite.
- 4.4 Our traditional imagery holds that the Coromandel Peninsula is the jagged barb of the great fish of Māui (Te Tara o te Ika a Māui), while the peaks of Te Aroha and Moehau form the prow and stern of the waka.
- 4.5 Important tribal taniwha and tupua dwell in the ancestral seas and rivers which are also the location of continued spiritual and cultural traditions and practices maintained over the many centuries.
- 4.6 The extensive coastline, mountainous backbone, rivers and wetlands make for a resource rich and environmentally diverse rohe, desired by many over the centuries. The taonga tuku iho bestowed upon us include taonga species, fertile soils, hua

¹ “Come to Hauraki, where the aute is not disturbed.”

The aute plant (paper mulberry), brought to Hauraki from Hawaiiki, is an iconic symbol representing the fertility and mana of Hauraki, and this pepeha is a metaphor of peace and endurance.

whenua, hua rākau, kai moana, kai awa, kai ngahere, timber, textile flora and minerals.

- 4.7 The seas and foreshores of Tīkapa Moana to Mahurangi and Te Tai Tamahine / Te Tai Tamawahine to Ngā Kuri a Whārei provide nourishment and spiritual sustenance as well as the maritime pathways to settlements throughout our rohe. The maunga of Hauraki are uplifted places of revered events in time and space. There, resides the tangible history of Pare Hauraki. Many rivers flow from the maunga into the plains and sea and provide sustenance and inland pathways. To the west includes the Waihou, Ōhinemuri and Piako, and to the east Whitianga and Tairua. The flood plain of the Piako and Waihou rivers was an inland sprawling sea and wetland rich with flora and fauna.
- 4.8 These places are revered in tribal histories and mōteatea.
- 4.9 Our traditions hold that our people have dwelt in Hauraki for over a millennium.
- 4.10 Our tūpuna inhabited a rohe temperate and generally frost free which enabled the cultivation of kūmara, taro and yam from Polynesia. The broadleaf and podocarp forests include miro, hinau, tawa and karaka whose fruit were harvested. The rohe abounds in bird life with many wetland species and thousands of migratory waders, which congregate on the coastal mudflats in season. The seas and foreshores teem with marine mammals, fish and shellfish, the wetlands and rivers with birds, tuna and fish, as well as berries and medicinal and textile flora. Much of the rohe was thickly forested, with the rivers and water bodies giving access to great stands of kahikātea and kauri.
- 4.11 These resources were subject to access and use rights as an essential part of kaitiakitanga. Some species would be generally available, while other species would be regulated by rangatira in order to ensure sustenance and sustainability for the tribe.
- 4.12 The richness and diversity of this natural world is reflected by the many peoples who have belonged to the land and seas of Hauraki over the centuries. Thus, there are some 6,000 recorded historical sites, 700 of which are pā. It is generally accepted that there are more than double that number. More numerous again are the wāhi tapu cared for by Pare Hauraki as kaitiaki of these revered places.
- 4.13 The traditions of Pare Hauraki are of a highly mobile and maritime nation. Movement throughout tribal areas was influenced by areas of occupation and the location and availability of natural resources. Seasonal harvesting, especially kai moana, involved travel and occupation over very wide areas of Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine and their motu. Preservation of birds and fish was an important activity, together with tending of extensive cultivations.
- 4.14 The mana and wellbeing of Pare Hauraki was displayed in many ways - the quantity and quality of kai; waka and whare; tools/weaponry personal ornaments (including tahanga, tōhora, and huruhuru); and korowai and whāriki etc.
- 4.15 Many whānau, hapū and iwi have dwelled in Hauraki over the centuries. The complexity and diversity of Pare Hauraki is reflected in the separate waves of tribal migration - various waka, tōhora and taniwha traditions, together with histories of

7 CULTURAL REDRESS: PARE HAURAKI CONSERVATION FRAMEWORK

BACKGROUND

- 7.1 The Department of Conservation acknowledges that an effective partnership with Pare Hauraki is fundamental to achieving enhanced conservation of natural resources and historical and cultural heritage. Pare Hauraki responsibilities to this heritage are embodied by mana whenua and kaitiakitanga – the spiritual and cultural ethos that governs Pare Hauraki care and protection of mauri, the dynamic life principle that underpins all heritage. Mana whenua and kaitiakitanga include elements of protection, guardianship, stewardship and customary use. They are exercised by Pare Hauraki in relation to ancestral lands, waters, areas, resources, and other taonga.
- 7.2 Pare Hauraki and the Department of Conservation seek an effective partnership that both recognises the mana whenua and kaitiakitanga responsibilities of Pare Hauraki, and enhances the conservation of natural resources and historical and cultural heritage.
- 7.3 The intent of this Pare Hauraki conservation framework is to establish a framework for the co-governance, and related co-management, of natural resources and historical and cultural heritage as follows:
- 7.3.1 the co-governance provisions set out below are designed to reflect the aspirations of Pare Hauraki to have a meaningful role in influencing policies, not just as another group in the community, but in a way that is consistent with their mana whenua status and their partnership relationship with the Crown under Te Tiriti o Waitangi / the Treaty of Waitangi; and
- 7.3.2 the co-management provisions set out below are designed to give effect to Pare Hauraki aspirations to share in managing natural resources and historical and cultural heritage in a way that sits well with their principles of kaitiakitanga and mana motuhake.

Section 4 of the Conservation Act 1987

- 7.4 Section 4 of the Conservation Act 1987 states:
- "This Act shall be so interpreted and administered as to give effect to the principles of the Treaty of Waitangi".*
- 7.5 This obligation applies to the Conservation Act 1987 and the Acts listed in the First Schedule to that Act.
- 7.6 As an overriding approach, when exercising functions under that legislation in relation to each of the elements of the Pare Hauraki conservation framework set out in this deed, the relevant person or entity must:
- 7.6.1 give effect to the principles of Te Tiriti o Waitangi / the Treaty of Waitangi as required by section 4 of the Conservation Act 1987; and

PARE HAURAKI COLLECTIVE REDRESS DEED

7: PARE HAURAKI CONSERVATION FRAMEWORK

- 7.6.2 acknowledge and provide for the Statement of Pare Hauraki World View and Programme for a Culture of Natural Resource Partnership, unless to do so would be contrary to the purposes of the Conservation Act 1987.

ELEMENTS OF PARE HAURAKI CONSERVATION FRAMEWORK

- 7.7 The elements of the Pare Hauraki conservation framework are:

- 7.7.1 conservation management plan;
- 7.7.2 conservation management strategy;
- 7.7.3 decision-making framework;
- 7.7.4 customary materials;
- 7.7.5 wāhi tapu framework;
- 7.7.6 Conservation Boards;
- 7.7.7 relationship agreement; and
- 7.7.8 capability building.

CONSERVATION MANAGEMENT PLAN

- 7.8 To avoid doubt:

- 7.8.1 clauses 7.4 to 7.6.1 apply to this section of the Pare Hauraki conservation framework; and
- 7.8.2 clause 7.6.2 applies to this section of the Pare Hauraki conservation framework to the extent it is not already covered in this section.

BACKGROUND

- 7.9 In recognition of the significance of the motu of Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine, Te Tara o te Ika a Maui (Coromandel Peninsula), and Kopuatai, Torehape and Pūkorokoro wetlands to the Iwi of Hauraki, the Crown has agreed to provide for the co-governance of those areas, through the development of a conservation management plan, that is approved jointly by the Pare Hauraki collective cultural entity and the Conservation Board.

CROWN ACKNOWLEDGEMENT

7.102 The Crown, through the Department of Conservation, and the Iwi of Hauraki acknowledge and agree that –

7.102.1 effective relationships between Pare Hauraki and the Department of Conservation are essential to support the other mechanisms in the deed; and

7.102.2 those relationships will evolve over time.

7.103 The Crown, through the Department of Conservation, and the Iwi of Hauraki acknowledge their shared commitment to building a strong, lasting and meaningful partnership with one another through the Pare Hauraki and Department of Conservation Relationship Agreement which the Crown and the Pare Hauraki collective cultural entity are to be treated as having entered into (as set out at the end of this part).

7.104 The Pare Hauraki and Department of Conservation Relationship Agreement may be reviewed and amended by agreement of the Minister of Conservation and Pare Hauraki.

PARE HAURAKI AND DEPARTMENT OF CONSERVATION RELATIONSHIP AGREEMENT

This agreement marks an important milestone in the relationship between Te Papa Atawhai and the Iwi of Hauraki, and signifies the shared commitment to build a strong, lasting and meaningful partnership.

OUR VISION

An enduring partnership between Pare Hauraki and Te Papa Atawhai that is founded on Te Tiriti o Waitangi/ Treaty of Waitangi, and aimed at enhancing the condition of the natural, historic, and cultural heritage of Hauraki.

CONTEXT

Pare Hauraki and the Crown have entered into a collective redress deed to settle historical claims under Te Tiriti o Waitangi/ Treaty of Waitangi. The collective redress deed contains various mechanisms that will assist the ongoing partnership between the parties. It represents the first phase of an enduring relationship between the parties.

The conservation section in the collective redress deed establishes a framework for the co-governance, and related co-management, of natural resources and historical and cultural heritage. The co-governance provisions reflect the aspirations of Pare Hauraki to have a meaningful role in influencing policies, not just as another group in the community, but in a way that is consistent with their mana whenua status and their partnership relationship with the Crown under Te Tiriti o Waitangi/ Treaty of Waitangi. The co-management provisions give effect to Pare Hauraki aspirations to share in managing natural resources and historical and cultural heritage in a way that supports kaitiakitanga and mana motuhake.

THE RELATIONSHIP

Te Papa Atawhai and Pare Hauraki recognise that an enduring partnership is fundamental to achieving enhanced conservation of natural resources and historical and cultural heritage. It is also fundamental for the successful implementation of the collective redress deed between the Crown and Pare Hauraki.

Pare Hauraki and Te Papa Atawhai agree that the following principles will guide how they will work together with trust, respect and dignity in the governance and management of the region's natural, historic and cultural resources:

- It will be a dynamic and evolving relationship, with the aspiration that it will become deeper and richer over time;
- Building an enduring relationship requires time, as well as financial and human resources, and there will be an ongoing commitment to learn more about the interests, world views and values of the other;
- Planned approaches to communication will be adopted to minimise the risks of misunderstanding, with the key components of early engagement, consultation before decisions are made, and active listening;

PARE HAURAKI COLLECTIVE REDRESS DEED

7: PARE HAURAKI CONSERVATION FRAMEWORK

- Decision-making processes are seen as opportunities to solve problems; and both partners will remain open to persuasion rather than committing to a particular position; and
- Decision-making processes respect and value different world views – including indigenous, scientific and practical.

ENGAGEMENT PROTOCOLS AND STRATEGIC OBJECTIVES

As soon as is practicable after the signing of this Relationship Agreement the parties will meet to agree long-term strategic objectives for the partnership.

Included in the strategic objectives will be consideration of how Pare Hauraki and Te Papa Atawhai can co-operate and achieve shared conservation outcomes including in the areas of:

- marine conservation (including strandings of marine mammals);
- freshwater fisheries;
- management of taonga species and pest control;
- conservation advocacy; and
- provision of visitor information.

Pare Hauraki and Te Papa Atawhai will meet, at senior levels, at least quarterly to discuss the implementation of the collective redress deed and Relationship Agreement, and the achievement of the long-term strategic objectives.

Te Papa Atawhai's annual business planning process determines its work priorities and commitments for the upcoming year. Te Papa Atawhai and Pare Hauraki will meet at an early stage of this process each year to discuss how the collective redress deed, Relationship Agreement, wāhi tapu management plans and associated management activities and strategic objectives will be reflected in the annual programme, and to identify potential projects to be undertaken together.

15 COMMERCIAL REDRESS: MINERALS

Preamble

- 15.1 Mineral extraction, especially gold, is central to the history of Crown-Pare Hauraki relations and its harmful effects are still felt being felt in current times. Pākeha settlement in the Hauraki region was associated with the search for and exploitation of minerals, beginning with the discovery of gold near Coromandel Harbour in 1852.
- 15.2 The first minerals agreement between the Crown and Pare Hauraki rangatira was signed at Patapata in 1852, and involved gold mining at Kapanga. Subsequently, gold and other minerals were mined, on the basis that land would not be alienated, at Kauaeranga from 1866, Ohinemuri from 1875, Te Aroha from 1880, and the east Coromandel Peninsula from Kuaotunu to Waihi from the late 1880s. Each of these transactions involved varying reactions from the Iwi of Hauraki, for example at Ohinemuri.
- 15.3 The Waitangi Tribunal's Hauraki Report estimates that over 1,400 tonnes of gold and silver bullion was extracted from Hauraki in the period 1862-1952. The Iwi of Hauraki received an estimated £89,000 from mining cession agreements between 1867 and 1897 while the value of gold exported in the same period was worth approximately £7.8 million (representing around 1.1% for Pare Hauraki).
- 15.4 Some Pare Hauraki rangatira expressed a desire to derive income from the prospecting of gold in their rohe while continuing to retain control and ownership of those lands, others opposed mining on their lands altogether.
- 15.5 In the twentieth century, mining continued at Waihi. In 1940, the MacCormick commission recommended the Crown make an ex gratia payment to Pare Hauraki in recognition of the unequal nature of the mining agreements made in the nineteenth century. The Crown, however, neglected to implement this recommendation. The Crown also failed to return lands made available for mining and still in Māori ownership (but no longer used for mining purposes) to Māori. Mineral extraction remains a feature of the Hauraki region and the negative consequences for the Iwi of Hauraki continue to this day.
- 15.6 The extent of claims of breaches of the Treaty of Waitangi / Te Tiriti o Waitangi and its principles relating to minerals and mining is unique to Pare Hauraki. The Waitangi Tribunal devoted one third of the Hauraki Report to the Treaty issues arising from mining and the Coromandel goldfields. It found that nowhere else did Māori face the rapid expansion of so large a mining industry and nowhere else was so much Maori land affected. This had long-term impacts on the Iwi of Hauraki.
- 15.7 Over the generations, Hauraki rangatira persistently protested the alienation of mineral-bearing lands, the loss of wāhi tapu, environmental degradation including the deterioration of water quality and damage to waterways, declining revenues from mineral extraction, the loss of livelihood experienced by the iwi as a result of Crown actions, and the Crown's failure to honour minerals agreements. These form the foundation of the Pare Hauraki claims.

PARE HAURAKI COLLECTIVE REDRESS DEED

15: COMMERCIAL REDRESS: MINERALS

- 15.8 The Crown has acknowledged that at various times it breached te Tiriti o Waitangi/the Treaty of Waitangi and its principles when acquiring gold-bearing land in Hauraki, and that it deprived iwi of their rangatiratanga over land subject to mining licences. As a consequence, Pare Hauraki saw little economic benefit from mineral extraction. The Iwi of Hauraki suffered significantly as a result of Crown Treaty breaches relating to minerals.
- 15.9 The Crown has also acknowledged that mineral extraction in Hauraki has resulted in ongoing environmental degradation, changes and pollution to lands, waterways (including contamination from heavy metals), and food sources, including modifications to the course of the Waihou and Ohinemuri Rivers and their tributaries that drained resource-rich wetlands, destroyed wāhi tapu, and caused significant harm to Tikapa Moana and its kaimoana resources.
- 15.10 This part of the deed contains redress provided to the Iwi of Hauraki in respect of minerals.

Transfer of certain Crown-owned minerals and payment of royalties

- 15.11 The Pare Hauraki collective redress legislation will provide, on the terms provided by sections 143 to 158 of the draft collective bill, that despite section 11 of the Crown Minerals Act 1991 (minerals reserved to the Crown) any Crown owned minerals in land vested in or transferred to any Pare Hauraki collective entity under this deed vest or transfer with, and form part of, the land, but that vesting or transfer does not limit section 10 of that Act (petroleum, gold, silver and uranium) or affect other existing lawful rights to subsurface minerals.
- 15.12 To avoid doubt, nothing in any item listed in the third column of the tables listed in parts 3 to 6 of the property redress schedule affects the vesting or transfer of Crown-owned minerals under clause 15.11.
- 15.13 Sections 148 to 158 of the draft collective bill establish a regime for the payment of royalties received by the Crown, in the previous 8 years, in respect of the vested minerals to which clause 15.11 applies.
- 15.14 The Crown acknowledges, for the avoidance of doubt, that it has no property in any minerals existing in their natural condition in Māori customary land (as defined in Te Ture Whenua Maori Act 1993), other than those minerals referred to in section 10 of the Crown Minerals Act 1991 or if provided in any other enactment.

Involvement in any review of ownership of gold and silver

- 15.15 If the Crown decides to initiate a review of the ownership of gold and silver (alone or as part of a wider review of all nationalised minerals), the Crown will:
- 15.15.1 involve representatives of Pare Hauraki in the review process
- 15.15.2 include Ministerial engagement with representatives of Pare Hauraki;

PARE HAURAKI COLLECTIVE REDRESS DEED

15: COMMERCIAL REDRESS: MINERALS

15.15.3 recognise the importance of the Statement of Pare Hauraki World View and Programme for a Culture of Natural Resources Partnership and ensure it is taken into account in the review; and

15.15.4 acknowledge the unique history that the Iwi of Hauraki have with gold and silver.

Relationship agreement with the Crown through the Ministry of Business, Innovation and Employment

15.16 The Crown through the Ministry of Business, Innovation and Employment and the Pare Hauraki collective cultural entity are to be treated as having entered into the relationship agreement set out in part 2 of the documents schedule.

15.17 A failure by the Crown or the Pare Hauraki collective cultural entity to comply with the relationship agreement is not a breach of this deed.

GENERAL EFFECT OF DEED OF ACCESSION

- 17.4 With effect from the date of the deed of accession, [] will be treated by the Crown and the Iwi of Hauraki as having been an original signatory to this deed as an Iwi of Hauraki.

SPECIFIC EFFECTS OF ACCESSION ON THIS DEED

- 17.5 With effect from the date of the deed of accession, clause 17.2 will have no effect.

SPECIFIC EFFECTS OF ACCESSION ON COLLECTIVE LEGISLATION

- 17.6 The Crown must propose to the House of Representatives such amendments to the draft bill or the collective legislation (as the case may be) as may be necessary to reflect the accession of [] to this deed.

18 EFFECT OF THIS DEED

- 18.1 This deed does not settle any of the historical claims of the Iwi of Hauraki.
- 18.2 This deed provides collective Treaty redress for historical claims in respect of the shared interests of the Iwi of Hauraki. The Iwi of Hauraki acknowledge that the redress under this deed will be part of each iwi-specific Treaty settlement.

19 TĪKAPA MOANA – TE TAI TAMAHINE / TE TAI TAMAWAHINE

- 19.1 Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine (and the harbours in those water bodies) are of great ancestral, spiritual, cultural, customary and historical significance to the Iwi of Hauraki.
- 19.2 The Iwi of Hauraki and the Crown acknowledge and agree that this deed does not provide for cultural redress in relation to Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine as that is to be developed in separate negotiations between the Crown and the Iwi of Hauraki.
- 19.3 The Iwi of Hauraki consider, but without in any way derogating from clause 19.10, negotiations with the Crown will not be complete until they receive cultural redress in relation to Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine.
- 19.4 The Crown recognises:
- 19.4.1 the significant and longstanding history of protest and grievance on the Crown's actions in relation to Tīkapa Moana, including the 1869 petition of Tanumeha Te Moananui and other Pare Hauraki rangatira and the Kauaeranga Judgment; and
 - 19.4.2 the Iwi of Hauraki have long sought co-governance and integrated management of Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine.
- 19.5 The Crown acknowledges that the aspirations of the Iwi of Hauraki for Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine include co-governance with relevant agencies in order to:
- 19.5.1 restore and enhance the ability of those water bodies to provide nourishment and spiritual sustenance;
 - 19.5.2 recognise the significance of those water bodies as maritime pathways (aramoana) to settlements throughout the Pare Hauraki rohe; and
 - 19.5.3 facilitate the exercise by the Iwi of Hauraki of kaitiakitanga, rangatiratanga and tikanga manaakitanga.
- 19.6 The Crown and iwi share many goals for natural resource management, including environmental integrity, the sustainable use of natural resources to promote economic development, and community and cultural well-being for all New Zealanders. The Crown recognises the relationships the Iwi of Hauraki have with natural resources, and that the iwi have an important role in their care.
- 19.7 The Crown agrees to negotiate redress in relation to Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine as soon as practicable, and will seek sustainable and durable arrangements involving the Iwi of Hauraki in the natural resource management of Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine that are based on Te Tiriti o Waitangi / the Treaty of Waitangi.

PARE HAURAKI COLLECTIVE REDRESS DEED

19: TĪKAPA MOANA – TE TAI TAMAHINE / TE TAI TAMAWAHINE

- 19.8 This deed does not address the realignment of the representation of iwi on the Hauraki Gulf Forum under the Hauraki Gulf Marine Park Act 2000. This matter will be explored in the negotiations over Tīkapa Moana.
- 19.9 The Crown owes iwi a duty consistent with the principles of Te Tiriti o Waitangi/the Treaty of Waitangi to negotiate redress for Tīkapa Moana – Te Tai Tamahine / Te Tai Tamawahine in good faith.
- 19.10 The Iwi of Hauraki are not precluded from making a claim to the Waitangi Tribunal in respect of the process referred to in clause 19.7.

20 CULTURAL REDRESS: TAURANGA MOANA

- 20.1 The Crown recognises the Iwi of Hauraki have interests in Tauranga Moana, which are of great spiritual, cultural, customary, ancestral and historical significance to the Iwi of Hauraki.
- 20.2 The Iwi of Hauraki and the Crown acknowledge and agree this deed does not:
- 20.2.1 provide for cultural redress in relation to Tauranga Moana as that is to be confirmed or developed in separate negotiations; nor
- 20.2.2 prevent the development of cultural redress in relation to Tauranga Moana.
- 20.3 The Iwi of Hauraki consider, but without derogating from clause 20.10, that the Hauraki Treaty settlements will not be complete until they receive cultural redress in relation to Tauranga Moana.
- 20.4 The Crown and the Iwi of Hauraki share many goals for natural resource management, including environmental integrity, the sustainable use of natural resources to promote economic development, and community and cultural well-being for all New Zealanders. The Crown recognises the relationships the Iwi of Hauraki have with natural resources, and that the iwi have an important role in their care.
- 20.5 The Crown acknowledges the Iwi of Hauraki seek co-governance and integrated management of the catchment, harbour and coastal marine area of Tauranga Moana in order to:
- 20.5.1 restore and enhance the ability of Tauranga Moana to provide nourishment and spiritual sustenance;
- 20.5.2 recognise the significance of Tauranga Moana as a maritime pathway (aramoana); and
- 20.5.3 facilitate the exercise by the Iwi of Hauraki of kaitiakitanga, rangatiratanga and tikanga manaakitanga.
- 20.6 The Crown acknowledges and affirms the Iwi of Hauraki will be able to participate in any governance and management arrangements for Tauranga Moana to be negotiated between the Crown and relevant iwi (including the Iwi of Hauraki) and included in standalone legislation.
- 20.7 In the event there is continued development of the Tauranga Moana Framework, the Crown:
- 20.7.1 affirms the right of the Iwi of Hauraki, on the basis of its recognised interests in Tauranga Moana, to participate through the seat described in

PARE HAURAKI COLLECTIVE REDRESS DEED

20: CULTURAL REDRESS: TAURANGA MOANA

clause 3.11.4(e) of the Legislative Matters Schedule of the Tauranga Moana Iwi Collective Deed will be preserved;

- 20.7.2 acknowledges, at the time this deed was initialled, it had not agreed to the participation of any other iwi in that seat; and
 - 20.7.3 notes the Waitangi Tribunal's statement that "there is prejudice to Hauraki iwi as a result of the inclusion of clause 10.3" of the Legislative Matters Schedule of the Tauranga Moana Iwi Collective Deed.
- 20.8 In the event the Tauranga Moana Framework is not developed, the Crown:
- 20.8.1 affirms any harbours redress will be negotiated in accordance with Cabinet's parameters for negotiations on harbours and other parts of the coast;
 - 20.8.2 notes the parameters require all iwi with recognised interests in Tauranga Moana (including the Iwi of Hauraki) be given the opportunity to be involved in negotiations and specify matters the Crown will take into account when determining representation on any entity negotiated as redress; and
 - 20.8.3 confirms any future governance and management arrangements over Tauranga Moana will be subject to agreement between the Crown and all relevant iwi (including the Iwi of Hauraki), having regard to the rights of participation set out in clause 20.7.
- 20.9 The Crown agrees to negotiate redress in relation to Tauranga Moana with the Iwi of Hauraki as soon as practicable in accordance with Te Tiriti o Waitangi / the Treaty of Waitangi, and on a basis which gives all iwi with recognised interests in Tauranga Moana the opportunity to be involved.
- 20.10 The Iwi of Hauraki are not precluded from making a claim to the Waitangi Tribunal in respect of the process referred to in clause 20.9.

- 21.2 The Crown and Iwi of Hauraki acknowledge and agree:
- 21.2.1 this deed does not yet provide for cultural redress providing for the involvement of the Iwi of Hauraki in the governance and management of the Waterways; and
 - 21.2.2 such cultural redress for the Iwi of Hauraki will be agreed as soon as possible between the Crown and Iwi of Hauraki and prior to the signing of the deed in accordance with Te Tiriti o Waitangi / the Treaty of Waitangi.
